

Oostburg Music Department – Summer Music Camp Scholarship Application

The Parents' Music Club is again generously donating money to be divided among high school and middle school music students interested in attending a summer music camp. Students who apply for a scholarship must be in a performing group at school during the school year before the camp and the entire school year following the camp; and must have volunteered at least once with the Parents' Music Club during the past school year (either the student or a parent). A committee of Mrs. Hanes, Mrs. Williams, Mr. Galezio, Mrs. Howell and the Parents' Music Club Officers will evaluate the applications and then select the recipients and the amount to be awarded. Applications must be received **no later than May 2nd** in order to be considered. Recipients will be notified by **May 14th** of the scholarship amount they will receive. Selection for all scholarships will be based on the completeness, thoughtfulness, and neatness of the scholarship application.

New this year is a scholarship exclusively for a current middle school student. In past years, very few middle school applications for scholarships have been turned in. It is with this specialized opportunity that middle schoolers are strongly encouraged to apply for a scholarship.

PLEASE FILL OUT THE FOLLOWING APPLICATION neatly and in complete sentences and return it to one of the music teachers listed above NO later than May 2, 2018.
