Dear Parent or Guardian,

April 6th, 2018

We are excited to invite you to participate in the summer school program to be held at Oostburg Elementary School. This year our summer program is open to all students **currently enrolled in Kindergarten-5th grade**. The purpose of this program is to encourage students to stay engaged in literacy, math and science activities throughout the summer months.

Summer School students will get individualized instruction in reading, writing, and math. This year we are happy to again be offering a STEM (science, technology, engineering and mathematics) section for students in grades 3-5. **All 3rd-5th graders enrolling in summer school will also participate in a daily 45-minute STEM class within the regular summer school structure.**

- **June summer school is Monday-Thursday, 8:30-11:30, June 11-14 and June 18-21. (no Friday classes).** There are a total of 8 summer school days in June.
- **The August session will run for a total of 6 days, also Monday-Thursday, 8:30-11:30, August 13-16 and August 20-21.**

The cost of this program is **\$10 per session (for students currently enrolled in Kindergarten-5th grade)**, for students who reside in the Oostburg school district area. The cost for **out-of-district students is \$50 per session**. A snack and recess break will be part of each morning.

Parent drop-off and pick-up will be outside of the main doors, on 7th Ave, each day. **Teachers are not available to supervise students until 8:15. Please do not drop-off before that time. We are not able to provide transportation. Parents will need to provide or arrange transportation to and from summer school.** The "Dutch Bunch" afterschool program will be offering wrap-around care before and after summer school. The hours for Dutch Bunch this summer are 6:30am to 5:30pm. Please contact Regina Hartman at 564-3110 for more information or for a Dutch Bunch registration form.

If you are interested in having your child participate in this exciting summer program, please complete the bottom portion of this note and return it to the classroom teacher or school office by **Friday, May 5**. If you have questions about the program, please call 920-564-2392.
