June 2017

Dear Parents/Guardians:

Communication with our families is very important to our staff. You will find that most classroom and district information will be found in our online Friday Folders. The link to the Friday Folder will be easily accessible through our school website. You will also receive online information through weekly blogs, emails and Infinite Campus Messenger.

With most of our communication happening electronically, it is important for us to have the most current information for your family. We ask that while you are reviewing your child's registration information in the Parent Portal, that you please update all email addresses and emergency contacts. If you do not have access to the internet or a printer, or do not have an email address, please call the school at (920) 564-2392 and we will make other arrangements.

If you have any questions regarding how to access information on the Friday Folders or Infinite Campus, do not hesitate to contact us at (920) 564-2392.

Sincerely,
Aaron White
OostburgElementary Principal
