Students are asked to come to the gymnasium and be prepared with photo order forms and payment at the assigned time. Please make sure to have exact change for your payment, as we cannot make change in the office. We have been in contact with Lifetouch, and they have confirmed there will be four cameras at the Elementary School for photos this year, so the photo process continues to run smoothly.

We appreciate your cooperation and patience with the photo procedures for the 2017-18 school year.
