

Science Camp!

Oostburg High School's Underwater Robotics Team is hosting their first "camp" for any elementary schooler to participate in! During this day, there will be multiple stations of hands on science experiments run by members of the High School Robotics Team.

- This will take place on April 11th, an early release day, from 12:30 to 3:30 pm.
- Kindergarteners through 5th graders are welcome.
- The cost is \$20 per child, which includes a wristband and a snack
 - (\$15 for every additional child in the same family)

Parent Name and Phone Number: _____

Childs Name and Grade: _____

Checks can be made out to Oostburg ROV. Please have order forms and money turned in
by April 6th to the Elementary school Office.
